

## School Pickup Times

The LaMoure School has set 2 blocks of times for students and parents to come to the LaMoure School and pick up any items they may have left before the closure. More importantly it will be a time for the students to pick up books, electronic devices, and any other items that maybe needed for preparation for a different form of education. This definition could be e-learning, distance learning, virtual learning, off-site learning, etc... This will also be a time for the parents and students to talk to teachers and staff about plans for each class in a "on-line" learning environment. This also to get more information on how this will work with the student(s). This time is for the students / parents to come in get belongings that are needed, and then depart from the school. We do not want this to be a "social" event at the school. The times set aside for this are as follows:

Thursday, March 19<sup>th</sup> from 2:00 p.m. till 6:00 p.m.

Friday, March 20<sup>th</sup> from 9:00 a.m. till 12:00 p.m.

The parent / student can come to the school at one of the designated times.
