*** GRADES K-3 Send your assignments with your older brother/sister if they have PE. They can send it with their assignments through google classroom. If no older brother/sister you can email it to me or text it to me. Email: derold.haugen@lamoureschool.com or cell # 701-710-1610. So if it gets to a point that we can not use the school as a drop off we still can get our assignments in.**
